### Old Business:

- Jon E. met with Jim G. to pick up tax information. In addition, received all previous tax information including letter with tax concerns from Scott Watts. Delivered all required information to CPA. Will have additional information at next meeting. Estimated fee of approx. \$100.00.
- Wind Sock – Jon E. and Jim G. both ordered – will have backup. Control line does not need a windsock.

### New Business:

- Signs – Jon will ask Rick of SLCPD to check status.
- Signal chasers – no response.
- Call from Tom Ott – Is it acceptable to do zone mowing? Again, SLCPD budget is tight. Zone mowing – cut around runway and pavilion on regular basis – cut beyond will be done on a monthly or more basis. Let's wait and see what SLCPD does and then revisit at a latter date.
- Show Me RC – Big Bird Event July 13-15. Don will put on web site and other event dates.
- Grace period for Buder Park Permit? Hard to keep track – possibly initial AMA card.
- Junior Buder Park Permit Fee? 16 years or younger fee is \$1.00 per year. Motion, second, and passed. Don will rework form.

Meeting closed 8:15pm.
