Old Business:

- FPV sign up – (4) total. Tony V. got a call from Tom O. about a complaint on the signs. Wanted to know if RC was expanding RC area. Tom O. explained that it is part of the flying area. Flyers have the first right to area usage.
- Remove “no RC car sign” from control line area? Consensus is to leave sign up and as is. Discuss at a later date and revisit topic.
- Additional insurance required by SLCPD – Lance T. sent check AMA – costs \$250.00.
- No information on by-law changes at this time.
- Porta potty has been moved.
- Safety fence in the control line area is still broken. Tony V. will ask about the repair at meeting.
- Tom O. noticed boundary posts may be missing. Tony V. will be checking into.

New Business:

- Look at opening an RC car track at Buder. Tony will talk with SLCPD and the Dirt Burners to see what they think.
- Buder Air Show. Use charity, different charity, or no charity. Charity seemed to complicate things. Supporting charity did not provide any additional coverage or spectators. Only benefit was additional parking income.
