

GSLMA Meeting – Wednesday, August 7th, 2013

Location: Grand Glaize Library Branch

Notes by: Jeffrey C. Young

Meeting called to order: 7:05pm

Roll Call.

July minutes read. Motion, second, and passed.

Treasures Report:

BB: \$14,640.47

Total Deposits: \$233.00

Total Debits: \$80.00

Debit Port Potty: \$80.00

EB: \$14,793.47

Motion, second, and passed.

Buder Park Permits:

Permits 07/01/13 to 08/01/13: 11

Permits YTD 2013: 228

Old Business:

- First aid kit – replenished at Big Bird event.
- Thermalairs – not pleased with SLCPD maintenance of Buder Park – tall grass and hedge row height. Jon has been working with Tom Ott and Bob Taylor to get the grass cut on a regular basis. He has talked about the hedge row and will contact again to see about getting it reduced and cut. Jim Gerkin a better option than Tom Ott to get maintenance issues addressed. Have hedge row reduced at east and west end – call to see if they will address.

New Business:

- Extravaganza
 - Parking – donation to park. Have chance to win plane - Champ.
 - Balsa planes – order \$200 worth of planes. Motion, second, pass. None opposed.
 - Hobby Town – donated \$200 - \$150 to spectators and \$50 to pilots. Also possibility of donating plane.
 - Porta potty – Lance is handling. Bob A. requested porta potty for control line area, but control line is separate event and not paid by GSLMA. Club reps to talk with members to see if: GSLAM pays full, GSLMA pays half, GSLMA pays none.
 - Vendors – no responses.
 - Police helicopter requested.
 - Jon will talk to Schafer's to see if they can help on Champ or similar. One for parking and on for general raffle.
 - Prizes – for spectators or pilots or both. Prizes help bring in pilots.
 - Landing fee - \$20.
 - Extravaganza flyers and need to update web site. Print out for Buder.
 - Check to see if we can have a full size land at Buder – Tony V. will look into.
 - Flight simulators – have hardware – need volunteers. Reps see if you can get help.
 - Buddy box – need air plane flyers – send contact information to Troy.
 - Demos – big bird, heli, and control line.
 - Media coverage – talk with Curt. Contact newspapers 10 days prior.
 - Open flying, noon time demo, foam flying area, static display on runway.
 - MC on mic – any ideas.

- Registration form. Lance will handle.
- Food is done and ready to go.
- Thermalairs – not pleased with SLCPD maintenance of Buder Park – tall grass and hedge row height. Jon has been working with Tom Ott and Bob Taylor to get the grass cut on a regular basis. He has talked about the hedge row and will contact again to see about getting it reduced and cut. Jim Gerkin a better option than Tom Ott to get maintenance issues addressed. Have hedge row reduced at east and west end – call to see if they will address.
- Bob Arata discussed Oshkosh event and control line flights. Approx. 1500 flights completed. If you volunteer you can get into the show for free, parking, and camp. May consider helping in future.
- AMA indoor nationals started at Champaign IL.

Meeting closed 8:20pm
