May minutes read. Motion, second, and passed.

Treasures Report:

BB: \$22,850.96

Total Deposits: \$2,454.57

Total Debits: \$901.07

EB: \$24,404.46

Motion, second, and passed.

Buder Park Permits:

Permits 2018 12/01/2017 to 12/31/2017: 38

Permits 2016 Total: 233

Permits 2017 Total: 245

Permits 2018 YTD: 200

Old Business:

- May FPV Race had 20 pilots
- June 3rd FPV race had 12 pilots
- May 19-20 CL Speed contest was held

New Business:

- July 21-22 Multi-GP (FPV Race) will be a regional qualifier and attract pilots from North Dakota and Ohio
- June 24th will be the Control Line Carrier Contest (We haven't seen CL Carrier at Buder in a long time)
- Getting the picnic tables cleaned under the RC Pavillion was discussed, when the Control Line tables were cleaned we used a pressure washer
- The roof on the RC Pavillion was discussed regarding if it was fixed or not
- Why GSLMA? – We need to advertise what we do and to get a list of improvements assembled from 2017 and 2018 to date.
- Ask the County if there is any more events like the Rugby event that closed down the RC field without any warning ahead of time
- Need to create some advertising to hand out in the Hobby Shops so that they can be distributed
 - List events that are being flown
 - Club Websites with links
 - Clubs that fly at Buder Park
 - Types of models – Free Flight, Rockets, FPV, Fixed wing RC, and Control Line
- What are the rules for the guys who fly rockets?
- What if we had a large map and welcome sign at the entrance to the park that showed where it showed field #'s and the flying site locations, we would need to get the County's opinion on this topic
- Voted to move subsequent meetings to the Kirkwood Community Center at 111 S. Geyer Road, Conf Room #202

Meeting closed 8:00pm
