- Discussed cleaning RC and CL after flood with brush and or smooth bucket on skid steer donated by John D. John also has access to water pallet (200 gallon) and use GSLMA member power washer. We could also contract out washing area (Water Quick) approx. cost \$800.00. Wait and see what flooding does before cleaning. Use GSLMA members to clean instead of paying for service.
- RC Pavilion Roof – SLCPD would like to do a ¼ inch plywood overlay. No date set at this time.
- Discussed updating bylaws – define guest pilot and define FAA registration.

New Business:

- Movable gate for FPV race course. Has been approved by SLCPD. Need to determine where gates are to be stored. Gate design to be determined.
- Add GSLMA to signage to help those wanting Buder park permit. Make sure web site is clear on joining process.
