Permits 2017 Total: 245

Permits 2016 Total: 233

Old Business:

- Taxiway and Engine Run Up area has been patched by St. Louis County Runway resurfacing schedule has been pushed back because of the spring floods.
- Flood cleanup – Thanks to those who helped especially John Dowd who provided the Bobcat sweeper to clean the runway.
- Run up stands – We approved a budget to provide a more effective way to secure the stands when a flood is forecast. This, of course, will involve volunteer effort to complete.
- Buder Park Chairs – Special thanks to Jeff Peterson who took the flood stained chairs and painted them.
- Pavilion roof – Like the paving, St. Louis County is behind due to the flooding and no firm date for the roof repair has been scheduled.
- National Aviation Day, August 17th – Bill Ott has contacted Fred about being the event coordinator. He and Fred are working out the details.

New Business:

- FPV – For those flying FPV, make sure to coordinate with the drone area to make sure there are no conflicts. Guidelines will be posted on the bulletin board.
